**Issues on the CISG Horizon** has been organized and is hosted by the Moot Alumni Association (MAA). The MAA, founded in 1996, is the alumni association of the Willem C. Vis Moot. With a 650-strong membership, the MAA is comprised of students as well as distinguished academics and practitioners, and internationally-renowned arbitrators and practitioners. The MAA is actively involved in reducing barriers to trade through a number of its projects, including the publication of the **Vindobona Journal of International Commercial Law and Arbitration**, facilitating internships and employment related to these areas of law, a case translation program and collaboration with the United Nations Commission on International Trade Law (**UNCITRAL**) and the Institute of International Commercial Law, Pace Law School. The MAA's activities during the Willem C. Vis Moot include sponsoring and organising social events for Vis Moot participants and—on the more serious side—specialised conferences such as *“The Challenging World of Arbitration”* (2001) in cooperation with ICCA and *“Becoming e-legal”* (2002) in cooperation with VIAC, and the annual *“Generations in Arbitration.”* The MAA's success is both driven by and rewarded to its members.
